

The Screen Saver[®]

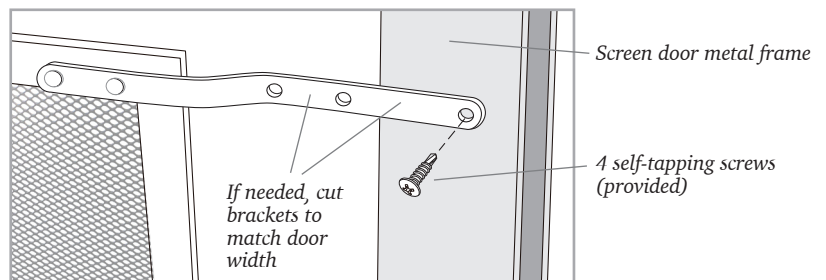

Best Quality Aluminum SCREEN & STORM DOOR GRILLE

FEATURES:

- Strong extruded frame construction
- Tough-Durable
- Stamped mesh resists being pushed out of the frame
- Safe "Close Weave" mesh keeps children's fingers from getting caught
- Provides extra safety for children - keeps hands from going through the glass in storm doors
- Pet owners - great for protecting screens from paws
- Prevents broken screens and windows
- Attractive styling - Maintenance free
- Available in black, white and mill

Easy Installation:

- Installs easily and quickly on the interior-side of your storm door and requires only 4 self-tapping screws (included)
- 30" - 32" - 36" wide
(Cut mounting brackets to size for 30" and 32" doors with hacksaw)
